## Chaplain's Report

**Fr. Scott Holmer**

[scott.holmer@gmail.com](mailto:scott.holmer@gmail.com)

The feast of the Sacred Heart of Jesus is always celebrated the Friday after Corpus Christi Sunday. Why is that?

2017 years ago, the Son of God, Jesus Christ, walked the earth in a physical body. After His suffering and death, He temporarily visited his followers in His risen glorified body. However, Jesus' mission to make it on earth as it is in heaven had not yet reached its completion. Therefore, Jesus in his glorified body ascended into heaven to sit at the right hand of His Father in glory. However, He ascended into heaven to complete His mission - to assume His Mystical Body the Church. At Pentecost, the Mystical Body of Christ, the Church, receives a soul - the Holy Spirit.

Two weeks after Pentecost, we celebrate the Feast of Corpus Christi, the Body of Christ, the Eucharist, the Sacrament that creates the Mystical Body of Christ - the Church. The Eucharist is the Heart, the Sacred Heart, of Jesus' Mystical Body the Church. Every time that we receive the Eucharist, we are like blood cells in the Mystical Body of Christ being fed with divine life from the Sacred Heart so that the Mystical Body of Christ, the Church, might flourish and grow - to make it on earth as it is in heaven.

## Grand Knight's Report

**Ralph Bonuccelli (301) 464-3630**

[rbonuccelli@verizon.com](mailto:rbonuccelli@verizon.com)

I am deeply honored and wish to thank each of you for entrusting me to be your Grand Knight for the 2017-2018 Fraternal Year. I want also to acknowledge the tremendous support of the Council Officers, our Program Activity Directors, and the Past Grand Knights, who made the 2016-2017 Fraternal Year a year we can all be proud of. Your hard-work and dedication to the Council reminds me that I hold a responsibility to the members of Sacred Heart Council to be a worthy representative of your efforts. I ask all members of the Council to pray for the success of our Council and to pray for your Officers who have committed themselves to the coming Fraternal Year.

The Knights of Columbus stand with the Catholic Conference of Bishops as advocates of Life, Marriage, and Religious Freedom. Our acts of Charity extend from helping the poor at home to helping to relieve the suffering of persecuted Christians all over the world. The

Knights heavily supported the St. John Paul II Shrine both for the Glory of God and the evangelization the life and words of John Paul II have sparked throughout the world. All of this begins with individual Councils dedicated to Charity, Unity, Fraternity, and Patriotism made up from ordinary practicing Catholic men like you. You should be proud to call yourself a Knight of Columbus.

Every year we call on our members to reflect on their service and to find themselves a role in our Council programs. Many Brother Knights become involved years after their initiation into the Order and express their regrets that they were not more involved earlier. They see the good friends they have made with men and families who share common values. They talk of how they learn to manage their time more efficiently and accomplish more of what they need to get done for their spouses and children. Some may regret they did not participate in our insurance programs sooner. Many also acknowledge a stronger bond with their parish communities, especially with our parish priests. Our needs remain great for volunteers as we have lost some key positions either to death or to advancement to greater obligations in our Order. We have need of volunteers. From one hour a month to twenty hours a week, from kitchen work, delivering can goods to food pantries, working BINGO or Baysox Stadium stands, working a repast, cantor a Mass, helping a Membership Drive, or cleaning up after a veteran ceremony, there is always something you can do for the Knights. If you can't volunteer, take advantage of attending Knights functions where you can enjoy a great time at a reasonable cost knowing you're helping to raise necessary funds for a worthwhile cause.

The Installation of Officers Ceremony will take place immediately following the 4:30pm Mass at Sacred Heart Church, Saturday, July 8<sup>th</sup>, 2017. A reception will follow the ceremony at Boswell Hall. Plan to come out to congratulate this year's Officers and offer your support for the new Fraternal Year.

Our goal this year is increase our membership by at least 40 members, increase the number of members who are active in the Council, and to further enhance the community of the four parishes we represent. We hope for your input to expand our Council programs, especially for Youth, Community, and Family. With your prayers, (and a little bit of your time), we can do great things for our parish communities.

**The Knight of the Month for June 2017 is Ron Blocker.** Ron is a huge help to Don Restly and PGK George T. Riddle, always helping

with set ups and cleanups at the Hall. His support of the necessary work that must get done is not often recognized due to the "behind the scene" nature of his contribution to our Council. Ron always brings his great humor and positive attitude making the work that much easier for everyone. Have Donny or George point Ron out so you can extend your congratulations and gratitude to Ron personally

## District Deputy's Report

**Bill Sapero (410) 721-9163**

**bsapero1@verizon.net**

Congratulations to our newly re-elected Grand Knight Ralph Bonuccelli and to all the new Council Officers. I look forward to working with Grand Knight Ralph and all the Officers, Directors and Chairmen to improve and add new programs for this Council Year and future years, so that we can enhance our charity programs, and the unity of our members. I look forward to having a tight fraternal bond with our past, present and future members. I hope we can excel our patriotism in our Council and community.

I encourage all of our members to get involved. Come to the Hall anytime to see what you can get involved in. We can't do it without you. If you have some new ideas, please don't hesitate to call or email me at my contact information above.

## **Motion of Intent**

A motion of intent was put on the floor at our meeting to contribute \$1000 to the Servants of the Lord and the Virgin of Matara' nuns for the purchase of new mattresses.

This motion of Intent will be voted on at the business meeting on Thursday, July 13<sup>th</sup>.

## **Youth Activities Report**

We have started our **Tools for School Program** early to give everyone more time to purchase much needed school supplies. We have designated Northview Elementary School as our target school to receive the donated supplies. Many children from our Knight Family attend that elementary school,

ALL the basics are needed: Pens, Pencils, Erasers, Crayons, Composition Books, Kleenex, Binders, Three-hole loose paper and Chalk for the Teachers. Please place the items in the large brown cardboard box marked **Tools for School** in the Knights Room. Please donate to this worthy cause, as much as you can and as often as you can. I assure you that the children really appreciate everything donated!

Come see what we do as a Council to help out OUR local community.

## **Family Activities Report**

**Matt Warehime (301) 352-7082 mwarehime@kofc2577.com**

Our Family Knight Out on Friday, June 16<sup>th</sup> was a delectable treat  
Chef Romeo and Chef Rober' combined their culinary forces and  
made a meatloaf platter that was to die for. This was all on the heels  
of the successful Gabriel Network Golf Tournament at the Bowie Golf  
Course with a banquet following back at the Hall, which had taken  
place earlier that day. We need to thank both chefs for a well-  
prepared meal that was in good company for all to enjoy.

Our **Family of the Month for July is: the John Curreri family.**  
Johnny is a very active member of the Council and has always been  
around to lend a hand when needed. His daughter, Mary, is also very  
active in the Council and has also joined the Ladies Auxiliary. His  
Grandson, Stephen, is now a First Degree member of the Council and  
we look forward to him progressing through the other Degrees.

## **Maryland State Deputy Report**

**Stephen Cohen, State Deputy**

Maryland is honored to be one of the three pilot jurisdictions for  
the new E-membership program. The pilot program will launch in  
the middle of July. We will be holding events and drives using this  
program throughout the state. We will keep you abreast of how the  
program is working. I want to thank Mike Danowski for agreeing  
to be the E-membership coordinator for Maryland.

Please remember that everything we do as Knights in Maryland  
– We are Advocates of the Lord.

We truly can make this our best Fraternal Year by growing our  
membership and our charitable growth.  
Vivat Jesus!

## **Pro-Life Report**

**Rob Van Rite, PGK (301) 910-4524(Cell) [JTCoulton@gmail.com](mailto:JTCoulton@gmail.com)**

Both Amy and I will be returning this year to serve as the Pro-Life Couple for Sacred Heart Council #2577. The landscape of pro-life activities is pretty well established, so there won't be really that many opportunities to change. There will however, be ample opportunity to add some new projects. One we are giving special consideration to is the program recently briefed at one of the Council meetings; notably Beth Holloway's presentation dealing with the Samaritan Woman organization. Sometimes it takes a fresh perspective to allow one to appreciate the work that is being done. I hope to use this summer to allow that perspective to develop. Something I continually marvel at is the fact that lives are being SAVED every day in the pro-life arena. If it isn't a young mother forgoing an abortion, it a young adult rescued from the depravities of the street. As there will someday be an accounting, I feel comfortable (but not satisfied) that in answering the Lord, that we as Knights will not come up short. The majesty of the pro-life movement is much too rare to be cheapened by heavy handed words. Thus, in closing, I say to all who hold life dear, have a wonderful summer; reinvigorate with family and friends; and return ready in the Fall to put your shoulder to the plow.

Vivat Jesus!

## Fraternal Benefits Report

A new Fraternal Year is upon us. Congratulations to the newly elected and appointed Council leaders. I'm sure you have a list of goals and objectives that you intend to accomplish during the coming year.

One of these goals is surely the attainment of the Star Council award - the most prestigious award the Order offers at the Council level. I'm certainly committed to helping on the insurance side, but I'll be glad to help on the membership side as well.

If you know an eligible Catholic man who might be interested in joining the Order (and who among us doesn't), he's probably just waiting to be asked. I can help you, either by approaching him myself, or by "coaching" you – transferring sales skills that you can use to recruit him and other prospects. As always, I'm at your service.

You can contact John Canter at (301) 261-3231 or [john.canter@kofc.org](mailto:john.canter@kofc.org). You can contact Steve Clites at (240) 375-1372 or [steve.clites@kofc.org](mailto:steve.clites@kofc.org).

## Supreme Council Report

### Knights set record in donation and volunteer hours

In 2016 the Knights of Columbus again set records in its charitable giving and hours volunteered, Supreme Knight Carl Anderson told Knights of Columbus jurisdiction leaders during the opening business session of the 2017 Organizational Meeting of State Deputies.

"We reached new heights in 2016," the Supreme Knight said. According to the figures from the 2016 Fraternal Survey the Knights gave \$177,500,673 in charitable donations. This is up from \$175 million donated in 2015. In addition, the Knights volunteered 75,112,694 hours to charitable initiatives, up from the 2015 total of 73 million hours.

The top ten jurisdictions in charitable giving for 2016 were Texas with \$9.1 million, followed by California, Michigan, Illinois, Florida, Ontario, Missouri, New York, New Jersey and Wisconsin.

The top ten in volunteer hours were Texas with 5.5 million hours followed by Luzon North, Florida, California, Illinois, Luzon South, Ontario, Visayas, Pennsylvania and Quebec.

"I ask each of you as State Deputy, when you return to your jurisdictions to set as one of your priorities for next year to exceed what your jurisdiction did this year in volunteer hours and in charitable donations," Supreme Knight Carl Anderson said "Challenge your Councils to donate a dollar more a week, or five dollars more, or ten dollars more. And then ask them to do the same in volunteer hours."

<p><b><u>Fourth Degree News</u></b> <span style="float: right;"><b><u>St. John N. Neumann Assembly #1763</u></b></span></p>		
<p><b>Rob Van Rite, PGK, Faithful Navigator (Cell) (301) 910-4524 <a href="mailto:JTCoulton@gmail.com">JTCoulton@gmail.com</a></b></p>		
<p>I've got to admit; my attention has been fairly riveted on Third Degree activities these last few years. But now, that I have become old, suddenly, the Fourth Degree beckons. Whenever the 4<sup>th</sup> Degree does come to mind, I am unalterably drawn to thinking about the Color Corps and the many events they support. During a recent training session for new FN's, I learned that I am automatically a member of the Color Corps and entitled to the white handled sword, chapeau and cape. I very much would like to charge off in this direction but at this moment, I'm in need of a Color Corps Commander. In fact, I'm in need of several Sir Knights to step up to the plate and perform some service to the Assembly. Worthy PFN Ed Fox sounded the clarion call for participation in the last Accolade; but, as of the last meeting, our roster has more holes than Dave Buckley's underwear. Be that as it may. Practice for the Installation Ceremony will be conducted at Seton Parish on Saturday, July 15<sup>th</sup> at 7pm. The Installation Ceremony also at Seton will follow the Saturday, July 22<sup>nd</sup> 5:30pm Mass. The reception and dinner will follow at Boswell Hall in the Columbian Room. My vision for the coming Fraternal Year is more scalpel than shotgun. I think the Assembly should assess its strengths and embark ambitiously on a few well-chosen programs. As I have heard renowned regionally famous Chef Robert say many times..."That food don't cook itself!"</p> <p>Looking forward to a great 2017 – 2018 Fraternal Year!</p>
